Socio-Economic Designations

- Service-Disabled Veteran-Owned Business (SDVOSB)
- Veteran-Owned Business
- Minority-Owned Business
- Black American Owned

Eligible Procurement Methods

Method 1: Simplified Acquisition

Engagements under the \$250,000 simplified acquisition threshold may be awarded to an eligible SDVOSB on a sole-source basis. No competitive bidding is required for qualifying requirements.

Method 2: SDVOSB Set-Aside

LI/LX is eligible for SDVOSB set-aside contracts under FAR Part 19 and FAR 19.14 for digital production, creative services, web development, and administrative support requirements.

Method 3: Supplier Diversity

Enterprise procurement teams can register LI/LX as a preferred SDVOSB vendor through corporate supplier-diversity programs to route ongoing digital production requirements.

STATEMENT OF WORK

SOW guidance.

When writing a Statement of Work for digital production services with LI/LX, include:

- **Platform access:** production is delivered through the LI/LX platform, provided by LI/LX.
- **Deliverable types and formats:** specify the assets, file formats, and quantities required.
- **Review and acceptance:** deliverables are US-reviewed before delivery; define your acceptance window.
- **Turnaround standards:** simple 24 to 48 hours, standard 2 to 4 days, advanced 4 to 7 days.
